Ref: Response to the First Omnibus Claims Objections
Case Number 8594 Your notice of Objection to Claim
Name of the Court: United States Bankruptcy Court,
Southern District of New York
Debtor: Delphi Corporation
Names of the Claimant: Chi-Hau Chen and Wanda W. Chen
Owner of 44 shares of Delphi stocks
Amount of Claim: 44 shares of Delphi stock estimated at \$1,100.

Dear Sir/Madam:

We received your notice of objection to claim. Here are our responses/objections.

We lost the amount equal to the value of our 44 shares of Delphi stock at the time of Delphi's filing for bankruptcy. We never heard from anyone about the stock we owned and this is totally irresponsible on the part of Delphi. We need to be informed on the compensation for our loss. The company cannot just walk away in this case. The value of our stock is very important to us as senior citizens and retirees. We ask to be refunded on the value of our stock for the estimated amount of \$1,100.

Thank you for your consideration in this matter.

Sincerely yours,

Chi-Hau Chen
